

St. Rose of Lima School

2021-2022 Blue/Gold MEMO from the Principal's Office

June 5, 2022

Dear School Families:

We had our final School Liturgy as a school community on Friday, and it was bittersweet as we watched our wonderful 8th Grade class walk together out of their last St. Rose of Lima School Mass together. They are a fantastic group of kids and we are so proud of them. We look forward to celebrating them in the coming weeks!

We are almost at the end of the year but we are not there yet! Please remind your children that it is important to remain diligent in their studies as we finish the year. I know they are all anxious for summer vacation, and we are almost there.

Thank you for your cooperation and understanding as we try our best to finish the year strong.

God Bless you and your families.

-Deacon Joe

Reading Incentive Program Assembly

Congratulations to all our amazing readers who took an opportunity to dive into summer reading early this year with our Reading Incentive Program. Our prize assembly will take place this Friday, June 10th! Good luck to all this year's participants and a huge thank you to all the teachers and parents who donated prizes this year!

Scholastic Book Order

Scholastic, like many companies, has struggled this year with shipping problems. We are, therefore, not taking summer reading orders. However, if you would like to place a summer reading [order online](#) and have the books sent to your home, make sure you use code H746Z and order by July 21st. If there are any past issues with orders please contact Ms. Crowell at pcrowell@strosenj.com so that we can get them resolved by the end of the year. Happy Summer Reading!

Yearbooks

We have received word from Jostens that they too are experiencing staffing and shipping difficulties. Our yearbooks are in production, but there is a chance that we will not receive them by the last day of school. While we are still hopeful, if we do not receive them, you will be notified when they arrive.

Chromebook Collection

While it has been wonderful that SRS has been able to provide every SRL student with a chromebook this year, we now have to figure out how to collect the devices, evaluate for necessary repairs, and store them for the summer. We appreciate your help in having your child ready to return the chromebooks, cases, chargers, and/or any replacement fees on the day that they are scheduled. So here is a projected schedule for our plan for collection. If you have any questions, please contact Ms. Crowell at pcrowell@strosenj.com.

We will be doing some preliminary checks with the students to check on the overall condition of chromebooks and to make sure they have the chargers and cases that were assigned to them. We are also asking that chromebooks be charged between 50-80%, as this is the optimal storing condition.

June 7 - 8th Grade will return chromebook, charger, and case. Any replacement fees must be paid at this time. Their Google/gmail accounts will remain active until July 1st.

June 10th - Students in grades K-7 will return chromebooks, charger, and case. Any replacement fees must be paid at this time. Their email accounts will remain active throughout the summer.

Replacement Costs

- Replacement of the chromebook (\$199-\$300) for devices purchased by SRS.
- AC Adapter & power cord \$28.92
- Targus 11.6" Work-in Case for chromebook \$35.00
- Case Strap \$10.00
