FROM THE PRINCIPAL'S DESK

The Last Laps: Our 8th graders participated in their last Laps for Learning as St. Rose of Lima Students on Friday! Some have only walked in one Laps for Learning fundraiser...and others have walked in up to nine! No matter how many you have done, the last of anything always feels bittersweet. Wishing them all the best of luck in high school. We know they will continue to make us proud.

Dear Families:

Our Laps for Learning event on Friday was a huge success. Thank you to Mrs. Megan Famular who chaired this very important event. More than \$25,000 in much needed funds were raised for our students and school. Thank you to everyone who donated and encouraged their friends and family to support St. Rose.

I also want to congratulate our Boys and Girls Track Teams for coming in 2nd place at the Championship track meet on Saturday! We had many individual **trophy winners and even a league record** that day! Students who came in 1st, 2nd and 3rd place **qualified for the Meet of Champions** which is tomorrow, May 23.

I shared a message earlier today about the appropriate way information should be shared with families. Please take a moment to [review this message](#) and reach out to me if there are staff members, volunteers, or coaches reaching out directly to your children.
