

## Preschool Flu Shot Reminder

Dear Parent,

Every child in preschool before the age of 6 needs a flu shot. This is a state law. It must be done between August and December of each school year. Please contact your Dr. as soon as possible to make an appointment. Please return this form with your appointment date by **October 1st** so I don't keep sending notices. Send in documentation when your child has received it. Please put your child's Name, their teacher's name, and the appointment date below and return by October 1st. If I do not receive it by the date you indicated, I will be sending you a reminder. Thanks for your cooperation. The School Nurses
