

# Rams Basketball Camp

## PHILOSOPHY

The Rams Camp has been held at Gloucester Catholic since the 1970s and this is an exciting new chapter in what is already an amazing tradition.

We base the camp on teaching the game and participation. Each day students take part in both drills and games.

We strive to help each athlete achieve their maximum potential. We also try to develop the player on and off the court, stressing the importance of teamwork and the life lessons that can be learned from high school athletics.
