

Rosebud Academy

Summer Vine 2025

A warm and wonderful welcome to both our new and returning “Buds”! You are part of a very special school year as we celebrate the 10th year of Rosebud Academy!

The Vine shares valuable information about school wide events, activities, and calendar updates about Rosebud Academy. If you have not already set up your [FACTS account for tuition payments, you can set that up here](#). This is mandatory to finalize your account. If you will be using our ExtraCare program, those charges will be billed monthly through a separate incidental billing account through FACTS as well. Once you begin using ExtraCare, you will see these charges monthly and can choose your payment option. Contact Maria Francesconi at bookeeping3@strosenj.com if you have any questions.
