

Dear Valued Parents,

We are proud to inform you that Duke Catering offers MyMealOrder ([www.MyMealOrder.com](http://www.MyMealOrder.com)), a state-of-the-art online service that provides you with the convenience and information you need to manage your student's meal purchases and meal account.

This system eliminates the need to send checks to school or worry about lost or forgotten money and ensures that your child's meals are paid for. You have the ability to pay by checking or credit card. Each payment processed within MyMealOrder.com will include a processing fee. If you would like to send in cash or a check to avoid the processing fee, you can do so by sending the cash or check (made payable to Duke Catering) into school in an envelope marked Duke. Please note that if you send in cash or check, you can not place your child's lunch order until these funds are added to your account. When the funds are added you will receive an email letting you know and then you can go in and place your order. Do not send in cash or check for lunch for that day, if paying that way you need to do so at least a day in advance. *\*Please also note that there will be a \$15 fee plus any bank charges every time your payment gets kicked back from the bank, whether paid on line or by sending in a check.*
