## FROM THE PRINCIPAL'S DESK

*That's a Wrap on Week 29!* We had another busy week with all types of activities. We had fun dressing down on St. Patrick's Day and we are sharing some pictures of the 3rd graders craft & Kindergarten's hunt for Gold! (They found it in the cafeteria!) In 5th Grade Science class, Mrs. Walsh's students learned about viscosity and non-Newtonian fluids and made Oobleck! The weekend brought a stunning portrayal of the Stations of the Cross by our Middle School students on Friday night, and the Track Mass and Communion Breakfast on Sunday.

Dear School Families:

## Rosebud Academy ROUND-UP

### Lenten Beauty

Mrs. Mohan and Mrs. Raum enhanced our Lenten journey in Art Lab as the children used color and explored negative spaces to create stained glass windows. They completed the project with a field trip to Saint Francis Church. It was both beautiful and inspiring.
