

September 2026

Hello parents!

This is my fifth year working as the Extra Care Coordinator, and I am excited to meet and work alongside you and your children during this extraordinary school year!

I am originally from the Port Richmond section of Philadelphia, and now reside in Barrington with my husband John, and kids Jack (7th grade) and Lilly (5th grade). We enjoy heading down the shore, visiting family, going on a nature walk, video games, reading, and watching movies.

Growing up, my family was always a part of parish and school life. My dad was a church sacristan and my mom volunteered as a school librarian at St. Adalbert's Church. I would spend my summers repainting the school statues, helping with the library inventory process, and assisting with the church bazaar. I would like to continue my parents' legacy, which is why I am thrilled to be part of St. Rose and the aftercare program. I am excited to see and interact with you and your children, in a safe and nurturing environment.

Kind regards,
Mrs. Mary Hull
