

September 2026-27 Nutri-Serving It Up At

St. Rose of Lima School

This past month marked the introduction of Nutri-Serve to the St. Rose community. We were privileged to prepare a variety of featured meals, including Pizza Crunchers with Marinara, Ham & Cheese Pretzel Melts, Cheesesteaks, Turkey & Cheese Wraps, French Toast Sticks, Mini Corn Dogs, and Cheesy Chicken Flatbreads. Furthermore, we thoroughly enjoyed the opportunity to meet with parents and guardians during Back-to-School Night.

A LOOK AHEAD TO October

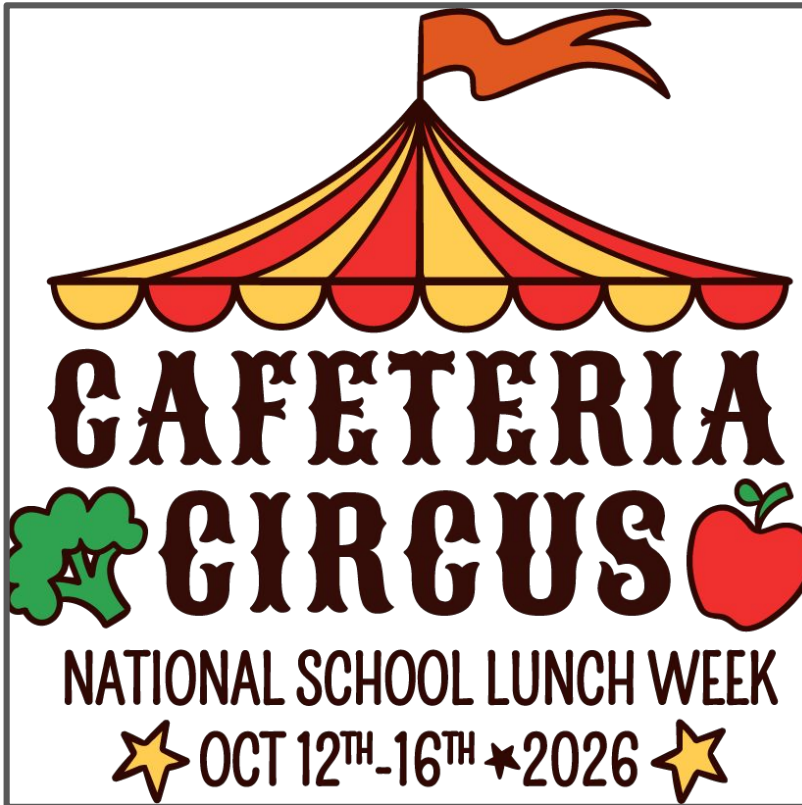

In October, we celebrate National School Lunch Week, National Vegetarian Month, and highlight the nutritious benefits of pears.

**POLAR
PEAR**

October is National Vegetarian Month

This October we are celebrating National Vegetarian Month with plant forward cuisine! Our featured Nutritious friend of the Month is The Polar Pear. Look out for pears on the lunch line!

This year's theme for National School Lunch Week is Cafeteria Circus. Taking place October 12- 16th, this year's celebration promises to be the most exciting yet!
